Trade Notice No. 14/AM16 dated 05.05.2016

As per the extant instructions of CBEC, customs field formations should accept the EODC given by Director General of Foreign Trade except in 5% of cases wherein they are mandated to do a detailed verification apart from cases under some investigation. It has also been stipulated that no routine information which can be sourced from within the customs EDI should be called for from the exporter. Hence whenever EODC is given for EPCG Authorization or Advance Authorization, a copy of the same is also forwarded to the concerned customs and original authorization in duplicate is retained in our office since it is no longer required at customs end.
